REPORT ON FOREIGN MISSIONS.

The Southern Baptist Convention, in session at Hot Springs in May, decided that in order to take care of our Foreign Mission work Southern Baptists should be requested to give one and a half million dollars to this cause before the next meeting of the Convention. Compared with Southern Baptist numbers and wealth, and with what they are doing for other objects and what others are doing for Foreign Missions, this amount is small.

The Foreign Mission fields represent a thousand millions of people, the most destitute and needy of all the inhabitants of the earth. The work conducted includes everything that our people and our churches are doing at home. A million and a half dollars for this work will not equal a tenth of what we are doing on the same lines for the thirty-odd millions who live in the South, to say nothing of the help which other Christians and denominations are giving to provide religious privileges for the people at home. A million and a half dollars is a great advance upon what we have been doing, and we will have to bestir ourselves to realize it; but it does not measure our full duty in this matter.

God's Blessings are upon Foreign Missions. Even the war is helping instead of hindering this great enterprise which Southern Baptists are conducting. There were 6,290 baptisms last year. We have now 464 churches on all the fields, of which 141 have assumed self-support. We have a church membership above 53,000, with 715 Sunday Schools enrolling more than 34,000 scholars. In other schools which we are conducting we have enrolled nearly 9,000 scholars. We are conducting theological schools in Japan, China, Africa, Italy, South America. We have but few doctors under appointment, and yet these gave more than 100,000 treatments last year. By His blessing upon the work God is inviting us to enlarge it.

Eighteen new missionaries were appointed in June and many others are greatly needed. Doors of opportunity are open everywhere.

Every pastor and every church in the Association is admonished to lay large plans, organize the forces, and press vigorously the greatest campaign we have ever undertaken for Foreign Missions. Every Christian in this nation is at this time called distinctly to this international Christian service. This Association should undertake to raise a worthy part of the million and a half dollars, and every church should voluntarily increase its contribution proportionately. The amount of increase for the whole South is 75 per cent. We recommend that the churches of the Association attempt the same increase.

The "Home and Foreign Fields," price 50 cents, is recommended to all church goers. The Foreign Mission Board, Richmond, Va., furnishes FREE of charge tracts for distribution. Order this magazine and these tracts, and inform yourself concerning what God is doing through Southern Baptists throughout the world.

WEDNESDAY EVENING SESSION.

The Association was again called to order by the Moderator at 7:15 p. m. The Moderator asked W. R. Cooper to read the first twelve verses of the first chapter of Acts, after which N. W. P. Bacon, who was appointed at the previous meeting of the Association, preached the sermon.

REPORT ON ORPHANAGE.

The report on the Orphanage was read by T. S. Shuford and was discussed by J. R. Carter, and after a cash collection was taken the report was adopted.

Report on Orphanage.

The work of caring for the helpless is genuinely humanitarian and thoroughly scriptural. Our Savior approves this in the case of the man who fell among thieves and said to his inquirer, "Go thou and do likewise." He enjoins upon his people over and over again to care for the poor and needy and accompanies the injunction with many encouraging promises.

Our State is doing a great work in caring for the helpless and worn out soldiers at Beauvoir and for the mentally incapable, for the blind and the deaf and dumb.

Our people as a matter of Philanthropy, are doing a great work in maintaining a home for the old and helpless woman, also for the old and dependent men; their purpose being to make their last days comfortable until God shall call them hence.

This work is glorious and I am sure is well pleasing to Him who spent so much time in relieving suffering humanity, but our orphanage work in comparison with this, stands out supreme. It not only undertakes to relieve suffering, but it takes the orphan child in its helpless condition and gives it food and clothing, care and training and supplies as far as possible what it has lost in its home and parents.

It furnishes opportunity for proper physical and moral development and mental and industrial training that will fit them to be breadwinners, and good citizens and for useful lives. We have now in the home 150 children that must be clothed, fed and trained.

We learn from our Superintendent that they have this year passed through seiges of measles, mumps and whooping cough and have had fourteen operations for appendicitis, but that our children came through it all safely and are now sound and well. We do not want to forget our orphan children during the war times. It is costing much more to feed and clothe them now than in normal times.

We recommend that a cash collection be taken at this Association, to tide them over the dry months and our Sunday Schools take monthly collections for the orphanage, and send them in promptly and that during the month

of November all our Churches make contributions. We also recommend that contributions of food supplies of all kinds, such as molasses, cured meat, flour, sugar, lard and canned goods of all kind, and boxes of clothing, soap, pins, needles, towels, sheets, pillow cases, shoes, hose and other things that are needed be sent to the Baptist Orphanage, Jackson, Miss. God has given us this institution and the man to superintendent it, so let us show our gratitude by our liberal and constant support of it.

Respectfully submitted,

.....T. S. Shuford

The committee on order of business made announcements for the Thursday morning session.

The letter from Duncan having come in was ordered read and delegates enrolled.

The Association adjourned to meet at 9 a. m. Thursday.

THURSDAY MORNING.

The Association was called to order by the singing of Rock of Ages, after which Rev. Martin Ball led in prayer.

CHRISTIAN EDUCATION.

The report on Christian Education was read by Martin Ball, and was discussed by Martin Ball, J. R. Carter, J. A. Ousley and W. Y. Quisenbery, and adopted.

Your Committee on Christian Education beg leave to report:

As a denomination of Christians we are doing our part in evangelism and baptizing the converts. That portion of the commission we have worked well. While we have been prosecuting this work, we have also given some attention to that part which requires teaching, but it has been slow of development.

The educational commission of the Southern Baptist Convention has laid before us a great program. It contemplates not only adequate endowment and support for our schools, but what is

vastly more important, it seeks to advise our Baptist people to a proper appreciation of education.

The crucial point of the educational problem is not one of money, but one of interest. This is the supreme thing for the Christian school. We greatly need leaders among our people, who are trained and well equipped for the work the Lord has placed in our hands. There are several things Baptists need now. We need men in our ministry, not only with a regenerated heart which is fundamental, and a soul fired with the Holy Spirit, but a brain properly trained to present the plan of salvation and the duties and obligations that rest upon the saved men and women.

We need leaders among men, who can command a hearing anywhere and thus efficiently serve their country and their God.

We have truth and it needs to be propagated in all the walks of life. There awaits us as Baptists a large field of usefulness in the political and civil walks of life. Men and women who with trained minds and warm hearts can cautiously and prudently plant the standards of our faith every where.

We need united effort. It is true we are independent, but we are not to stand alone and do nothing. We are to work together in bringing about the aims desired in this work of educating and uplifting our Baptist people.

If you will take a glance at a departure from Christian schools you can see that crime increases and realize the consequences of not upholding a high ideal of Christian education.

This is the day of opportunity for us. It knocks at our door. Shall we seize it or permit it to go by unheeded.

It is our privilege to prepare the world for a safe democracy by proclaiming to our people and the world our God-given principles of freedom and liberty and aiding in building up a citizenship of which we may well be proud. Our Christian schools are our hope of success.

Mississippi College, the Woman's College and Clarke College, all need our support. Let none of them suffer. These belong to the Mississippi Convention. There are other Baptist schools in our State, as Blue Mountain College and Hillman, that are eminently worthy of our encouragement and patronage.

Respectfully submitted,

MARTIN BALL,
For the Committee.

STATE MISSIONS.

The report on State Missions was read by J. A. Ousley, discussed by J. A. Ousley, L. F. Gregory, J. R. Carter, C.

G. Bobo and W. Y. Quisenbery, and adopted.

REPORT ON STATE MISSIONS.

We, your Committee on State Missions, beg leave to offer the following report:

The largest amount ever given for this work is planned for this year and before the meeting of the State Convention we are confident will be gotten. $50,000 is the figure set. State Missions has so many phases of work that its force is felt in almost every community in Mississippi.

We lend a hand to help build churches in towns or communities which are unable to erect adequate buildings. We lend a hand to help pay pastors of churches unable to pay the full salary of good men. We help the negro Baptists by paying a good worker among them who is doing an excellent work. General Sunday School workers and Baptist Young Peoples' secretary is paid out of this fund; also pastors of mission places adjacent to Camp Shelby are supported by State Missions. An enlistment secretary is maintained in Southeast Mississippi by this same fund. All of these show that State Missions is for the upbuilding of the work throughout the whole State, and we feel challenges our very best support.

We recommend that every church in this Association meet its apportionment to this cause and wherever possible give more than the amount asked for this worthy phase of our Baptist work.

Praying that God will bless, richly bless, this work during the coming associational year,

Respectfully submitted,

J. A. OUSLEY, Chairman.

The letter from Webb was ordered read.

REPORT ON HOSPITALS.

On motion the report of last year was ordered read and adopted with such changes as will conform to facts. The report was discussed by Mrs. A. H. Longino, and adopted.

REPORT ON HOSPITALS.

Your committee has been unable to get from the hospitals all

the information desired, and therefore must report such facts as it has been able to ascertain.

Mississippi Baptists are interested in two hospitals—the Baptist Memorial Hospital, in Memphis, and the Baptist Hospital in Jackson. The first is the property of the Baptist conventions of Arkansas, Mississippi and Tennessee; the second is owned and controlled by the Baptists of the State.

Campaigns have been made and pledges have been taken for both of these institutions. There yet remains some of those pledges unpaid. This has been due no doubt to the fact that some did not thoroughly understand their obligations and that some have been delayed on account of crop conditions. It goes without saying that it would have been far better for the institutions had these pledges been met promptly. Their opportunities would have been enlarged over what they have been.

The trustees of the Baptist Memorial Hospital in Memphis have built another wing. This wing cost over $250,000. Mississippi was asked to raise $10,000 of this amount. The hospital has long been in need of room, many a time accommodations have been sought and the hospital has been full. In order to accommodate patients, rooms of the nurses have been turned into rooms for patients, and in many instances the halls have been used. When this wing has been completed it is confidently believed that we will have then all the room that is needed.

The trustees of the Baptist Hospital are not contemplating any improvements, but is in need of some furniture. Both hospitals can use al lthe linen which may be sent them. Several hundred sheets and pillow cases are greatly needed and should be supplied.

These hospitals are denominational in ownership, but they are undenominational in service and treatment. These institutions receive patients of any creed and patients of no creed. Their work is both remunerative and non-remunerative, they have both pay patients and charity patients. They appeal to the Baptists of the State for support.

On the hospital at Jackson there is an indebtedness of $20,000, bearing heavy interest. This indebtedness should be paid. There is a great need of a maternity ward, to cost $10,000. Some good women should donate this and thereby perpetuate their usefulness.

Therefore your committee would recommend:

1. That all who have unredeemed pledges do what they can to pay them at their earliest convenience.

2. That each church do its part towards raising the indebtedness.

Letter from Drew was ordered read and delegate seated—Dr. J. A. Maxwell.

The resolution of last year which relates to the Delta

Missionary was reaffirmed with the following changes, and reads as follows:

Whereas: The Delta is still Mission territory; and

Whereas: There is constant loss of Baptists to our denomination; and

Whereas: There is a great need for a Missionary in the Delta; therefore be it

Resolved, That this Association ask the Dear Creek Association to co-operate through its Board with the Board of the Sunflower Association in selecting a Delta Missionary, the State Mission Board being asked to pay the salary of the same.

Resolved, second, That the duties of said Missionary shall be outlined by a committee from the Boards of the two Associations.

Resolved, third, That the said Missionary shall make a report to the two Boards of the Associations, and the State Board of Missions.

That part of the report on State Missions that recommended that the State Board of Missions do not charge the F. & H. Mission Boards for collecting and remitting mission funds was reconsidered and stricken out.

Letter from Gunnison was read and delegates D. A. McCall and Mrs. D. A. McCall were seated.

Association adjourned to meet at 1:30 p. m.

THURSDAY AFTERNOON SESSION.

Association was called to order by song and prayer.

Letters from Dwiggins, Shelby and Lula were read.

On motion the church at Vance was received in to the fellowship of the Association.

Report on nominations was recommitted.

REPORT ON HOME MISSIONS.

The report on Home Missions was read by W. R. Cooper, and discussed by W. R. Cooper, and adopted.

REPORT ON HOME MISSIONS.

Missions is the increasing realization of God's redemptive

plan in Christ Jesus by meaps of human agency. Missions introduce the kingdom of heaven and so is primary in kingdom work and kingdom building. Missions bring good news to the hungry soul, even salvation.

The source of missions is in the heart of God, in the work of Christ, and in the spirit of Christianity. The text book of missions is the Bible, whose soul authority is God, and so its teaching is irretrievable and unalterable and final. In the Bible we find Missions the thought of God in the heart of Christ, the Mission message in the atonement of Christ, the Mission duty in the commands of Christ, and Mission motive in the nature of the redeemed life, the task, the world to be evangelized and the Mission power, the Holy Spirit of God.

Home Missions includes the territory of the Southern Baptist Convention, Cuba and the Canal Zone. It is presided over by that prince and splendid leader, Dr. B. D. Gray. It includes all kinds of Christian and denominational work which is so gloriously systematized and intelligently arranged and mapped out for the efficiency of the work. The Home Board reaches out in six different angles, so as to touch the entire life of its territory. The church extension plan which is a towering work and stands for itself. The publicity department which has covered the South many times in the choicest literature. The evangelistic department, headed by Dr. W. W. Hamilton of Georgia, which has not been surpassed in many generations. Then camp pastors in the South, the mountain schools, numbering thirty-four, presided over by Dr. E. A. Brown of Asheville, N. C. Then general missions, wherein work is done among the Indians, negroes, and the foreigner.

The greatness of anything is determined by the product it sends forth, and the work of the Home Missions is proven over a thousand times by the splendid men sent forth from her schools, the 37,000 baptized by that force last year, by the transformation of the lives of the mountain people, and by the number it reaches and affects all over the Southland.

So we most heartily recommend to you Home Missions and your unstinted support of it, and that all take its paper and read it and the tracts and acquaint ourselves better with the work of it, that we pray for it and deeply appreciate it.

Respectfully submitted,

W. R. COOPER.

REPORT ON WOMAN'S WORK.

Report was read by D. A. McCall, and discussed by D. A. McCall, Martin Ball and W. Y. Quisenbery, and

adopted.

SUGGESTED REPORT ON WOMAN'S WORK FOR THE ASSOCIATION.

The definite aims of the Woman's Missionary Union are four in number: Mission and Bible Study, Systematic and Proportionate Giving, Personal and Definite Service, and Individual and United Prayer.

A regular course of study has been marked out which each Baptist woman is urged to take up. This embraces a book on Bible Study, one on Stewardship and Missions, one on the history of the Woman's Missionary Union, one on Methods and two on Definite Missions, one on Home and the other on Foreign Missions. A certificate and seals is granted to those taking this course of study.

Free literature that is most helpful will be sent to each church wishing to perfect the organization of the women in order that they may be informed as to what is their part in the up-building of the Kingdom. This should be ordered from Miss M. M. Lackey, Jackson, Miss.

It is desired that each Association in the State have a Woman's Mission Union organization, with a superintendent over same. The superintendent of this Association is Mrs. Manghum.

While no society is organized for the purpose of getting money, yet women's gifts, resulting from her desire to help, after she has been informed as to the world's needs, are growing larger each year. The half year ending May, 1918, showed that Mississippi societies gave for all benovelences $56,137.51.

D. A. McCALL, Chairman,

Woman's Mission Union Committee.

SUNDAY SCHOOLS.

Report on Sunday Schools was read by Dr. J. A. Maxwell, and discussed by Dr. Maxwell, Martin Ball, J. L. Ikerd, and adopted.

REPORT ON SUNDAY SCHOOLS.

I approach this subject with the feeling that I am treading on sacred ground. I look for the authority for Sunday Schools and find that there is no less authority than Jesus Christ. Emphasized by His giving it after his death and resurrection, giving it on the occasion of His only special appointment with them, and giving it as His farewell message to His disciples, "Teaching

them to observe all things whatsoever I have commanded you."

We see that God ordained that His Word should be taught. He also ordained that some should teach His Word. 1 Cor. 12:28. And God hath set some in the church, first, apostles, secondarily, prophets, thirdly, teachers. Eph. 4:11. And he gave some apostles, some prophets, and some evangelists, and some pastors and teachers. Also Rom. 12:3-8.

We see here that God hath ordained that there are to be teachers in His church. The teacher then should stand before his class, realizing that his office is one ordained of God, that he is God's ordained teacher, that he is teaching God's ordained Word to God's called people.

We have the command to teach, and the ordained teacher, and third, we have the ordained order of teaching His Word. 1 Cor. 14:40. Let all things be done decently and in order. The great commission is to make disciples, baptize, and teach. We have prophet, evangelist, pastor, and teacher in order of rank. The commission was for Christians to teach Christians to live the things that God had commanded in His Word. A Christian is to do and the invitation to the sinner is to accept what God has offered. A sinner can not observe all things whatsoever God has commanded, neither would it profit him any thing if he could. 1 Cor. 13:1-3.

First make disciples, first prophet, evangelist, pastor and then teacher. We should have the preaching service first, then the ones who would remain teach them as the Bible directs. Considering the injunction to bring a child in the way it shall go, we are rearing a generation of non-attendants of the preaching or first service of the church.

Your committee would recommend for your consideration the preaching and practicing the commission in the order in which it is given.

Your committee would further recommend the appointment of a Sunday School secretary of the Sunflower Baptist Association for a period of one year, who shall arrange for a Sunday School Convention in this Association, and who shall work in co-operation with our State Sunday School secretary for the promotion of the Sunday School interest throughout the said Association.

Respectfully submitted,

J. A. MAXWELL.

On motion Dr. J. A. Maxwell was elected to prepare a program and arrange for an Associational Convention.

REPORT ON TEMPERANCE.

The report was read by C. S. Longino, and discussed

by C. S. Longino, W. R. Cooper, and adopted.

REPORT ON PUBLICATION.

Report was read by J. A. Ousley, and discussed by J. A. Ousley, W. R. Cooper, W. Y. Quisenbery, and adopted.

REPORT ON PUBLICATIONS.

We have as a denomination two publications of the highest order. One of these is for the propagation of missionary interest throughout the territory of the S. B. C. This organ, "Home and Foreign Fields," is better than ever before, an authority on missions. Every church will grow stronger to have this periodical in every home in its membership.

The "Baptist Record" has become to us an essential for a well-informed Mississippi Baptist. We find by the statistics of the churches of this association that there are too few subscribers to the Record. We ought to recommend continuously the Baptist Record in our pastoral visitation. Every interest we foster is advocated by this paper and will be strengthened by it. We recommend that we write more often to the Record the local things of interest in our Delta churches, also articles of Biblical value, and thus show our endorsement of the paper.

The "Orphanage Gem" is the organ of our orphans' home, which ought to receive our strong support. It will build up interest in this work and produce increased gifts to it.

To have all three of these publications in every Baptist home within the bounds of this Association should become our ideal.

Respectfully submitted,

J. A. OUSLEY.

MINUTES OF WOMAN'S MISSIONARY UNION.

The Woman's Missionary Union of the Sunkower Association met at Marks, July 16th, 1918. The meeting was called to order by our Superintendent, Mrs. T. J. Mangham, at 9:30 a. m. Opening praper by Rev. N. W. P. Bacon, After singing the Woman's Hymn the devotional exercise was conducted by Mrs. G. W. Johnson, of Belen, reading 24 Phalm.

In the absence of our Secretary, Mrs. Carney was asked to serve. Roll call and delegates seated as follows:

Marks, Miss.

Rich, Miss.

Lula, Miss.

Belen, Miss.

Clarksdale, Miss.

Lambert, Miss.

Darling, Miss.

Rome, Miss.

The welcome address was delivered by Mrs. J. M. Causey in a most gracious manner, response by Mrs. K. A. Carney.

The Superintendent, Mrs. Tom J. Mangham, read her report, which showed much progress along all lines, especially financially, $10,339.16 was reported for all purposes. The report was accepted by a rising vote of thanks.

Miss Lackey gave a very instructive talk on the training school, showing the great need for the training of our Baptist young people.

Mrs. McVey then presented Foreign Missions in a very impressive manner.

The presidents of the W. M. U's. discussed the work accomplished in the different units. This was very encouraging, many reported having kept the week of prayer and self-denial and have one or more missionary studies each month and systematic Bible studies.

Adjourned, after praper by Miss Lackey.

Afternoon session was called to order at 3:30.

Devotional service was conducted by Mrs. Martin Ball, reading Rom. 12. After a very consecrated talk by Mrs. Ball, prayer by Mrs. Evenson.

Minutes read and approved.

Mrs. Causey very graciously told of attending the State Convention at New Albany.

Miss Lackey spone on State Missions, making a plea for a closer study of our need in Mississippi, and that every missionary society should keep the week of prayer and self-denial for State Missions.

Mrs. C. J. Stubbs, of Rome, resented our personal service. She very plainly brought out the fact that there is no subject of any more importance in our work than personal service. It covers so much that no consecrated woman can leave it out of her Christian activities.

Motion by Mrs. Bacon, that we do not report Red Cross work through our Missionary Union, but all work for National Defense done by the Units of the W. M. U. shall be reported. After considerable discussion, motion carried.

Buildinf and Loan presented by Mrs. Carney, of Clarksdale, and discussed, which resulted in the Association to make a memorial of $500.00 to be paid annually for five successive years, $100.00 each year.
